

Institut Universitaire  
de Technologie  
Aix\*Marseille Université

# Aix-Marseille Institute of Technology

**IUT Aix-Marseille offers 18 University Bachelors of Technology (BUT)**  
**Incoming mobility from 1 to 4 semesters with a wide choice of tracks**  
**5,500 students, 370 teachers, 11 campuses, 7 cities : join the community !**

**IUT Aix-Marseille is part of Aix-Marseille University**  
**the largest public French-speaking university**  
**located in Provence**

Institut Universitaire  
de Technologie  
Aix-Marseille Université

# The BUT, what is it?

## A NEW DEGREE :

- THE BUT (University Bachelor of Technology):  
a 3-year technological degree

## 3 YEARS FOR ALL WITH :

- a full B-cycle for in-depth, wider-ranging learning
- less teaching, more training (1800 - 2000 hrs / 3 years)
- more professionalisation: 26-week internships and many different students projects

a **COMPETENCE-based learning process**

# L'APC : Competency-Based Learning

## Identifying key attitudes, development of soft skills

- Ability to work in teams
- Leadership
- Etc.

## Using the latest trends in teaching methods: empowering students

- Student-centred learning
- Learning to learn
- Learning to act
- Blended learning methods
- Etc.

Academic advisors : Labset, ULG

# The BUT and the Competency-Based Learning

## OBJECTIVE

- acquire 4 to 6 broad competencies named « *savoir faire complexe* » (complex know how)

## HOW TO REACH THIS OBJECTIVE ?

- each of the 24 study programmes will be split up into 1 to 5 study tracks which may correspond to
  - ✓ further specialisation
  - ✓ diversification
  - ✓ strengthening

# The study tracks in our IUT

Study Programms	Existing study track (national level)	Study tracks available at the IUT of Aix-Marseille	Campuses
