

Aix-Marseille Institute of Technology

amU Aix
Marseille
Université

IUT

**IUT Aix-Marseille offers 18 University Bachelors of Technology (BUT)
Incoming mobility from 1 to 4 semesters with a wide choice of tracks
5,500 students, 370 teachers, 11 campuses, 7 cities : join the community !**

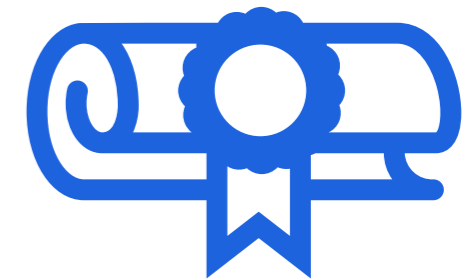

IUT Aix-Marseille is part of Aix-Marseille University
the largest public French-speaking university
located in Provence

The BUT, what is it ?

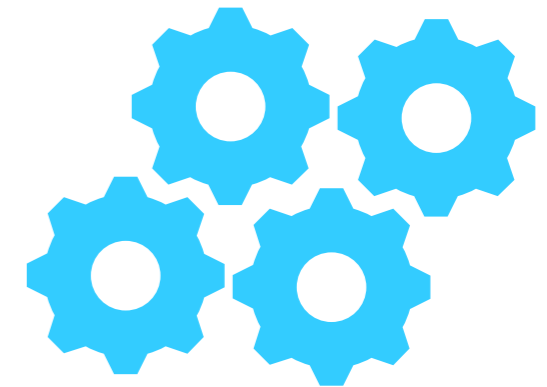

A NEW DEGREE :

- THE BUT (University Bachelor of Technology): a 3-year technological degree

3 YEARS FOR ALL WITH :

- a full B-cycle for in-depth, wider-ranging learning
- less teaching, more training (1800 - 2000 hrs / 3 years)
- more professionalisation: 26-week internships and many different students projects

A COMPETENCE-based learning process

L'APC: Competency-Based Learning

Identifying key attitudes, development of soft skills

- Ability to work in teams
- Leadership
- Etc.

Using the latest trends in teaching methods: empowering students

- Student-centred learning
- Learning to learn
- Learning to act
- Blended learning methods
- Etc.

Academic advisors : Labset, ULG

The BUT and the Competency-Based Learning

OBJECTIVE

- acquire 4 to 6 broad competencies named « *savoir faire complexe* » (complex know how)

HOW TO REACH THIS OBJECTIVE ?

- each of the 24 study programmes will be split up into 1 to 5 study tracks which may correspond to
 - ✓ further specialisation
 - ✓ diversification
 - ✓ strengthening
